

Established in 1947, Triangle Hardware is celebrating 64 years of service in Highlands County and the surrounding South Central Florida community. For three generations we've thrived through good times and bad, and today, we have thousands of friends and customers.

On behalf of Daniel and Chris Selph and everyone at Triangle Hardware, we would like to take a moment to thank our many loyal customers for their continued support. As times have changed, Triangle Hardware has continued to provide exceptional customer service and bring the best quality hardware, supplies, tools and material to area homeowners, do-it-yourselfers and professionals.

At Triangle Hardware, we continue to be more affordable. We believe in quality and provide our customers with better-made products that last longer and provide greater value and savings in the long run. Whether buying a barbeque grill or a quarter pound of nails, we can save you time, money and heartaches.

If you haven't used us before, we invite you to stop by or call us anytime you have a need or question. See why many longtime area residents shop with us. We care and take the time to educate our customers and assist everyone properly. Thank you. We look forward to seeing you soon.
